

VIPER ENERGY PARTNERS GP LLC

Audit Committee Charter

I. PURPOSE AND RESPONSIBILITIES

The Audit Committee (the “Committee”) is appointed by the Board of Directors (the “Board”) of Viper Energy Partners GP LLC (the “Company”), acting in its capacity as the general partner of Viper Energy Partners LP (the “Partnership” and, together with its subsidiaries and the Company, the “Partnership Group”), to oversee the accounting and financial reporting processes of the Partnership and the audits of the Partnership’s financial statements. In that regard, the Committee assists the Board in monitoring (i) the Partnership’s accounting, auditing, and financial reporting processes generally, including the qualifications, independence and performance of the independent auditor, (ii) the integrity of the Partnership’s financial statements, (iii) the Partnership’s systems of internal controls regarding finance and accounting and (iv) the Partnership Group’s risk management and compliance with legal and regulatory requirements. In performing its duties, the Committee shall seek to maintain an open avenue of communication among the Board, the independent auditor, the internal auditors (if any) and the management of the Company.

While the Committee has the responsibilities and authority set forth in this Charter, management and the independent auditor are responsible for planning or conducting audits and determining that the Partnership’s financial statements are complete and accurate and are in accordance with generally accepted accounting principles. Nothing contained in this Charter is intended to expand applicable standards of liability under statutory or regulatory requirements for the directors of the Company or members of the Committee.

The independent auditor is ultimately accountable to the Committee, which has the sole authority to appoint, oversee and, where appropriate, replace the independent auditor. The Committee has direct responsibility for the compensation and oversight of the work of the independent auditor (including resolution of disagreements between management and the independent auditor regarding financial reporting) in connection with preparing or issuing an audit report or performing other audit, review or attest services for the Partnership. The Committee also has direct responsibility to appoint, compensate, oversee and terminate, if necessary, any other registered public accounting firm engaged for the purpose of preparing or issuing an audit report or performing other audit, review or attest services for the Partnership Group. The independent auditor and any other registered public accounting firm, as applicable, shall report directly to the Committee.

II. COMPOSITION

The Committee shall be comprised of three or more members, including a Chairperson. The members of the Committee shall meet the independence requirements of The Nasdaq Stock Market LLC (the “Nasdaq”) Marketplace Rules and Rule 10A-3(b)(1) under the Securities Exchange Act of 1934, as amended (the “Exchange Act”). No member of the Committee shall have participated in the preparation of the financial statements of the

Partnership Group at any time during the past three years. The members of the Committee and the Chairperson shall be appointed annually by the Board and serve at the pleasure of the Board. A Committee member (including the Chairperson) may be removed at any time, with or without cause, by the Board. The Board may designate one or more independent directors as alternate members of the Committee, who may replace any absent or disqualified member or members at any meetings of the Committee.

All members of the Committee shall have a working familiarity with basic finance and accounting practices and be able to read and understand fundamental financial statements, including the Partnership's balance sheet, income statement and cash flow statement, and at least one member of the Committee shall be an "audit committee financial expert" as defined by the Securities and Exchange Commission (the "SEC"). Committee members may enhance their familiarity with finance and accounting by participating in educational programs conducted by the Partnership Group or an outside consultant. The Chairperson shall maintain regular communication with the chief executive officer, chief financial officer, the lead partner of the independent auditor and the senior officer responsible for the internal audit function.

Notwithstanding the foregoing, one director who does not meet the Nasdaq definition of independence, but who meets the criteria for independence set forth in Section 10A(m)(3) of the Exchange Act and the rules thereunder, and who is not a current officer or employee of the Partnership Group or a family member of a current officer or employee, may serve for no more than two years on the Committee if the Board, under exceptional and limited circumstances, determines that such individual's membership is required by the best interests of the Partnership and its unitholders. References herein to "employees" shall include employees of Diamondback E&P LLC and its affiliates who perform services for the Partnership Group. Such person may not chair the Committee. The use of this "exceptional and limited circumstances" exception, as well as the nature of the individual's relationship to the Partnership Group and the basis for the Board's determination, shall be disclosed in the Partnership's Form 10-K.

In addition, if a member of the Committee ceases to be independent for reasons outside the member's reasonable control, his or her membership on the Committee may continue until one year from the occurrence of the event that caused the failure to qualify as independent. Also, if the Partnership is not already relying on this provision, and the Partnership fails to comply with the Nasdaq requirement regarding audit committee composition due to a single vacancy on the Committee, then the Partnership will have until one year from the occurrence of the event that caused the failure to comply. If the Partnership intends to rely on either of these cure periods, the Partnership shall provide notice to Nasdaq immediately upon learning of the event or circumstance that caused the non-compliance.

III. MEETINGS

The Committee shall meet as often as it determines necessary, but at least four times each year, to enable it to fulfill its responsibilities. The Committee shall meet at the call of its Chairperson. The Committee may meet by telephone conference call or by any other means permitted by law or the Company's limited liability company agreement. A majority of the members of the Committee shall constitute a quorum. The Committee shall act on the

affirmative vote of a majority of members present at a meeting at which a quorum is present. Subject to the Company's limited liability company agreement, the Committee may act by unanimous written consent of all members in lieu of a meeting. The Committee shall determine its own rules and procedures, including designation of a chairperson pro tempore in the absence of the Chairperson, and designation of a secretary. The secretary need not be a member of the Committee and shall attend Committee meetings and prepare minutes. The Committee shall keep written minutes of its meetings, which shall be recorded or filed with the books and records of the Partnership. Any member of the Board shall be provided with copies of such Committee minutes if requested.

The Committee may ask members of management, employees, outside counsel, the independent auditors, internal auditors or others whose advice and counsel are relevant to the issues then being considered by the Committee, to attend any meetings and to provide such pertinent information as the Committee may request.

The Chairperson of the Committee shall be responsible for leadership of the Committee, including preparing the agenda, presiding over Committee meetings, making Committee assignments and reporting the Committee's actions to the Board from time to time (but at least once each year) as requested by the Board.

As part of its responsibility to foster open communication, the Committee shall meet periodically with management, the internal auditors (if any) and the independent auditor in separate executive sessions.

IV. ACTIVITIES

In carrying out its responsibilities, the Committee's policies and procedures should remain flexible to enable the Committee to react to changes in circumstances and conditions so that it can fulfill its oversight responsibilities. In addition to such other duties as the Board may from time to time assign, the Committee shall:

- Review and discuss with management and the independent auditor the Partnership's annual audited financial statements prior to the filing of the Partnership's Form 10-K, including disclosures made in Management's Discussion and Analysis of Financial Condition and Results of Operations, and recommend to the Board whether the audited financial statements should be included in the Form 10-K.

 - other material written communications between the independent auditor and management, such as any management letter or schedule of unadjusted differences.
- Discuss with management the Partnership's earnings press releases, including the use of "pro forma" or "adjusted" non-GAAP information, as well as financial information and earnings guidance provided to analysts and rating agencies.
